RECOMANDARE

In luna martie 2008, Excel Cleaning a preluat activitatea de curatenie permanenta in sediul nostru situat in cladirea de birouri Bucharest Business & Technology Park.

Echipe Excel Cleaning asigura deasemenea actiunile de curatare a mochetei sau de curatenie generala din sediul nostru.

Pe tot parcursul colaborarii noastre am fost multumiti de intreaga prestatie si de raspunsurile rapide pe care le-am primit intotdeauna la solicitarile noastre, calitatea serviciilor primite fiind intotdeauna la inaltime.

Recomandam serviciile de curatenie prestate de Excel Cleaning tuturor companiilor interesate.

Cu stima,

Adela Cabariu
